**RE: LETTER OF RECOMMENDATION**  
Project: Parkwood 121  
Owner: St. Ives Realty

Mr. Barclay,

I wanted to take this opportunity to express my appreciation for the team that worked on the Parkwood 121 project. The Preconstruction Team of Robert Shelton and Trey Hodges produced multiple estimates and discovered many opportunities to pick up potential savings. They guided the design team down the appropriate path to successfully keep the project within budget. David Miller, Bart Burgess, and Cory Dowling made the day to day field operations happen and were prompt with RFI's, solutions, and implementation of the complete scope of work. As the Owners Representative, I was pleased to have such a strong group running the project and more importantly, coming in ahead of schedule and under budget!

Once again, my sincerest thanks to the FA Peinado team! The project was a great success and I look forward to working with you in the future!

Sincerely,
